## INVITATION LETTER

Dear dr. Bojić,

I have great pleasure to invite you to present your work at the workshop *Trust: Foundation, Measurement, and Relevance* that will be held at the Institute of Physics Belgrade on 22 and 23 December 2025. Your talk is scheduled 23 December. The workshop is organized as an activity within the project CTRUST "Topology-derived methods for the analysis of collective trust dynamics". We hope that you will accept our invitation to present your work at the workshop.

Kind regards,

  
dr. Marija Mitrović Dankulov

Research professor  
Institute of Physics Belgrade  
PI of the project CTRUST
